

PWCCP VOLUNTEER FORM

The PWCCP is proud to offer a full calendar of events to our members and the fancy. It takes all of us to ensure that each event is successful and many people working behind the scenes to manage our Club. In an effort to better organize our volunteers and their talents, we have developed this Volunteer Form as a way for each member to express his/her area(s) of interest and donate time to serve in one of the many positions or on one of the many committees that make up the workings of the PWCCP. Each year, members are asked to complete a form and are encouraged to update it at any time throughout the year. New member applicants are also asked to complete a form when applying for Club membership.

Please place an "X" next to any position, committee, activity, or event in which you would consider volunteering. Some positions may not be open each year, but it will be noted that you may be interested in the future should a vacancy occur.

For Membership Applicants, please submit this form with your application package.

For all others, please submit this form to:
