How did you learn about Corgi rescue?

Applications will be retained for 6 months from date of signature. Please make sure to add the date next to the signature space even if you are emailing.

Corgis are placed based on our assessment of the best “match” between a dog’s age and temperament and the prospective adopter. We do require a home visit by one or more of our club members prior to a final decision about a dog’s placement.

We will be in touch with you in the event that a corgi becomes available that we believe might be good match for you. In any year, we might see 8-10 corgis in our rescue program and it is unusual that a dog of less than a year old is surrendered to us.

There is a fee for adopting a corgi from PWCCP Rescue. Each fee is individually determined based on dog’s age and their factors. Our adoption fee is approximately \$400 and is always paid at the time of adoption.

Other Comments	
----------------	--

Thank you for your interest in adopting a Pembroke Welsh Corgi. As dogs become available, a Corgi Rescue representative will telephone applicants suited to a dog in need of adoption. If you have any questions, please contact me via email. We hope that we will be able to find a Corgi that is just right for you! Once your application is received, you will receive a confirmation email.
